

**Don't assume you are ready** or that God will accept you. This is not something to take lightly. In the end, all that will matter is what God says. HE has the final say. It makes no difference what others or you say. Only HIS WORD will stand.

**None of us are worthy on our own** to enter into God's kingdom. We cannot make it our own way. "There is a way which seemeth right unto a man, but the end thereof are the ways of death."

**There is only 1 WAY** that we can become worthy. There is only ONE who can make us pure and holy so that we can be accepted. And that ONE is the Lord Jesus Christ! Run to HIM! Trust in HIM with all your heart! Through HIS word, his Spirit, and his blood you can be READY!

**Are you ready?** If World War 3 began tonight, would you be ready? If the apocalypse began next week, are you prepared?

**If this truly is the final generation** before the end of the world, are you ready for the end?

**Things are changing rapidly** on this earth. So much change has happened in the last 40 years alone. How much farther can this current economic system go before crumbling? How much longer can these current governments last without nuclear war breaking out? How much more racial tensions can nations like the US and SA take before civil war breaks out?

**We can sense that things** are not the way they used to be. Will they ever be the same...?

**But either way,** whether or not the end is near, the day will come when you will die. And that day can come unexpectedly. Are you ready...?

**Are you ready to stand before God?** Do you know for sure that you are acceptable to HIM?

**Are you sure that you are worthy** to enter into his kingdom of holiness, purity, & truth? God's kingdom has no sin, uncleanness or lies. There is no pride, stubbornness or disobedience. Are you 100% certain that HE will welcome YOU into HIS kingdom? Or will he say to you: "Depart from me, ye cursed, into everlasting fire." The day will come when you will stand before HIM!

**The Bible says:** "Prepare to meet thy God!" Are you sure you are prepared? Are you ready...?
